

## Urgent: Prepare for Hurricane Milton

City of Cape Coral

Dear Contractor,

As Hurricane Milton approaches, please take immediate action to safeguard all construction sites in Cape Coral. The potential for devastating damage is high, and it is essential that you prioritize safety and protection of your assets.

Please ensure that all equipment and materials are secured and that safety protocols are strictly followed.

If you have concerns or need additional support, do not hesitate to reach out. Thank you for your prompt attention to this critical situation.

Sincerely,

Shane Kittendorf
